Dear Sir,

Pls HOLD / NOT TO LOAD b/m 05 x 20 cont.at port till fuhrer inst.from us which gated in port by Rake movement, pls note we have recd., open examination order from custom for 05 x 20 cont., now we have to do internal shifting this cont.from JNPT port to NSICT sampling area for custom examination purpose and back to JNPT after examination & re sealing of container from NSICT sampling area ,

Request you to pls arrange port permission for the same & arrange 05 new container seals and ASR copy of both terminal (i.e.NSICT and JNPT)

Note : Pls find attached herewith custom open order check list & custom permission for Examination of container at NSICT sampling area
